AUTHORIZING THE ALLOCATION OF  
LOCAL TRANSPORTATION CAPITAL IMPROVEMENT PROGRAM (LOTICIP)  
FUNDS**

**Bridgeport, Connecticut**

I certify that the following is a true copy of the vote of the Connecticut Metropolitan Council of Governments on January 29, 2026, Bridgeport, Connecticut, a quorum being present:

**WHEREAS**, pursuant to C.G.S. 13a-98n, the Commissioner of Transportation shall establish a Local Transportation Capital Improvement Program (LOTICIP) to provide state funding, in lieu of specific federal funding available to any municipality or local planning agency for transportation improvements to any state or locally maintained roadway or facility that is deemed eligible for federal surface transportation urban program funding; and

**WHEREAS**, the purpose of LOTICIP is to provide state monies to urbanized area municipal governments instead of federal funds otherwise available through the federal transportation legislations, and

**WHEREAS**, LOTICIP establishes and continues a state-funded program that allows eligible municipalities to perform capital infrastructure improvements with less burdensome requirements; and minimizes the number and level of state resources involved in the oversight of municipal infrastructure improvements and to focus those resources on the federal-aid program on more regionally significant improvements of state-owned facilities; and

**WHEREAS**, MetroCOG is responsible for the solicitation, ranking, and prioritization of our municipal member's project proposals; and

**WHEREAS**, MetroCOG issued a LOTICIP solicitation in February 2025 – with continued discussion and solicitation of projects throughout 2025, and

**WHEREAS**, MetroCOG, through our review and ranking process, has prepared the attached LOTICIP 2025 Updated Solicitation Summary Sheet; and

**WHEREAS**, the MetroCOG Board of Directors approves the allocation of the Local Transportation Capital Improvement Program funds contained in the 2025 Updated Solicitation Summary Sheet, and

**NOW THEREFORE BE IS RESOLVED**, that the Council authorizes the Agency's Executive Director, Matthew Fulda, or his designee, to allocate the Local Transportation Capital Improvement Program Funds as contained in the 2025 Updated Solicitation Summary Sheet
