

**Conservation Technical Advisory Committee  
Regular Meeting: Monday, December 17th, 11 am  
Hanson Room #2, Beardsley Zoo, Bridgeport, CT**

**Meeting Agenda**

1. Welcome and Introductions
  - Attendees introduced themselves. The sign in sheet is attached.
2. Resilient Bridgeport
  - Dr. Rebecca French (Director of Resilience for the Connecticut Department of Housing) provided an overview of the RBD project and the NDRC project.
  - An EIS is in draft and public meetings are anticipated in early 2019.
  - John Truscinski with the Connecticut Institute for Resilience & Climate Adaptation (CIRCA) provided an update of their resiliency planning activities.
3. Aspetuck Land Trust Green Corridor Initiative
  - David Brant (Executive Director) explained that the purpose of this initiative was to encourage home owners to steward their land to support local wildlife and plants.
  - A feasibility study is being conducted for a capital campaign.
4. Municipal Open Space Funding Option
  - Katherine Lang with the Connecticut Land Conservation Council (CLCC) presented this item and handed out material about the proposed legislation.
  - David Bingham with CLCC answered questions regarding this item.
5. Natural Hazard Mitigation Plan update
  - Pat Carleton provided an update. A public meeting is planned for mid-January in Bridgeport.
6. Other Business
  - Meghan Sloan reminded members about the Metropolitan Transportation Plan.
7. Adjourn: the meeting adjourned around 12:30 pm.
