III. Local Transportation Capital Improvement Program

- a. Guideline Update (November 2021): summary attached and guidelines can be found at <https://portal.ct.gov/DOT/Office-of-Engineering/Highway-Design---Local-Roads---LOTICIP>
Meghan will send summary of changes after the meeting. Guidance includes further information on:

- Commitment to funding for state facilities
- Detailed pavement design guidance
- ADA compliance

b. Project Updates

c. Projects in 2022

IV. Regional Traffic Counting Program Update, Devin Clarke

- MetroCOG has been part of data collection in Trumbull.
 - Shared Miovisoin data to view and download reports.
- If there are any projects that want to be explored, please reach out
- Fairfield RT1 Kings Highway project has been explored for counting
- Noble Ave in Bridgeport would like counts for traffic.
 - Devin reached out to DOT for guidance on what types of data they want (times,days,) and has been in contact with DOT for more info.
 - DOT wanted to hold off on counts and we would like further support for more cameras because it is such a large intersection

V. Along the Lines podcast, hosted by Rich Andreski (CTDOT Bureau Chief, Public Transportation)

VI. Other Business

- Thank you to towns that have submitted LOTCIP Q reports
- Question of if there are there any indicators of how federal funds will trickle down to towns?
 - No current guidance
 - Still developing guidance of federal transportation
 - The Governor just appointed a head of IJJA who will attend COG meeting next week.
- State capital plan was briefly discussed
- GBT will be meeting with DOT in February and will share projects for the TIP after they receive guidance
- Any capital plans comment they have, please send out ASAP as per guidance from DOT.

VII. Adjourn at 11:25
