PUBLIC OPEN HOUSE MEETINGS
State Project No. 0175-1618PL
Connecticut Statewide Active Transportation Plan**

**January 7-23, 2025
Stamford, Bridgeport, New Haven, Hartford, Norwich, and Torrington**

**Find a meeting in your community:
<https://portal.ct.gov/ATP2026>**

The Active Transportation Plan evaluates existing conditions, identifies active transportation needs of state-owned roadways, and proposes recommendations for an equitable, operational, and safe active transportation network and supporting programs and policies.

The project is comprised of three phases. The first phase is underway moving through spring 2025 and includes identifying existing active transportation conditions on state roads, such as presence of bicycle lanes, shared use paths, and sidewalks; assessing the state's existing active transportation programs; and determining the statewide active transportation needs. The second phase includes development of proposed active transportation infrastructure improvements, prioritization of projects and potential funding sources, and recommendations for programs or policies that can improve conditions for active transportation. This phase will continue through fall 2025, culminating in the third phase of publishing the Active Transportation Plan in 2026. Public outreach will be conducted at all three phases to engage communities and gather feedback to inform the plan.

The public and stakeholders can submit comments and questions throughout the project. Please submit comments and questions to DOT.ActiveTransportationPlan@ct.gov or (860) 594-2020. Please reference Project No. 0175-1618PL in the email or voicemail.

ACCESSIBILITY

For those who can't attend any of the in-person meetings or wish to view the content digitally can view a self-guided meeting at <https://portal.ct.gov/ATP2026>. The self-guided meeting will be open through February 2025 and is the same information presented at the open houses.

Individuals with limited internet access may also request that project information be mailed to them within one week by contacting the project team at DOT.ActiveTransportationPlan@ct.gov or (860) 594-2020.

Language assistance may be requested by contacting the CTDOT Language Assistance Call Line (860) 594-2109. Requests should be made at least five business days prior to the meeting. Language assistance is provided at no cost to the public and efforts will be made to respond to timely requests for assistance.
